

Bowling holidays you will never forget.....

Flat green bowling holidays at the Louis Phaethon Hotel, overlooking the beach at Paphos, offer clubs and individuals a wealth of facilities and an opportunity to enjoy new experiences in idyllic surroundings.

The Louis Phaethon green has five rinks and has wonderful views of the Mediterranean Sea. The all-weather carpet was laid by an established British company and is regularly maintained to a good standard.

In the last few years the hotel has accommodated many bowlers and whether individuals, small groups or larger parties, they have all enjoyed the opportunity to be part of the hotel's own successful bowling club which was established six years ago.

The club has a healthy membership of 80 bowlers, mainly ex-pats, who meet several times a week. The standard of bowling naturally varies from the national competitor to the non-competitive roll-up member.

Individuals staying at the hotel are warmly welcomed to join the club on their roll-ups. Organized club groups also staying at the hotel have the opportunity to play against the hotel's own club in pre-arranged games. The green may also be used by visiting clubs for their own tournaments and matches may also be arranged with other clubs on the island with no additional charge.

If groups contact the hotel in advance, bookings for practice sessions, games or competitions against the hotel's own club - or others on the island - can be arranged prior to arrival. This would allow group organizers to enjoy their holiday without the trouble of last minute arrangements.

Because of the wonderful Cyprus climate, bowling takes place all the year round and is very rare that a game has to be called off through inclement weather. However, if such a rare happening occurs, the hotel also has facilities for short-mat bowling indoors.

The hotel owns a number of sets of bowls which can be hired for a minimum fee. For organized groups of 10 or more, the hotel provides unlimited use of the green free of charge.

Bookings, excluding air travel, may be arranged direct with the hotel – **Tel 00 357 26964600, Fax 00 357 26964666** or email phaethon@louishotels.com. Package holidays can also be booked through any major UK tour operator.

The Louis Phaethon Hotel also has other facilities to keep its visitors occupied – and all free. There are two swimming pools – one outdoors and one heated indoors – as well as two tennis courts, a basketball court, archery, football pitch and a gym.

For the less active there are two saunas, two steam rooms, Jacuzzi and card rooms, along with a coffee shop, two bars, a nightclub and restaurants offering extensive, mouthwatering buffets.

The hotel has a daily entertainment program and its own animation team will organize various morning and afternoon activities for all, including Shuffle Board, Quizzes and darts competitions. At night time there is a daily stage show including cabaret. Between November and April there are free ballroom and sequence dancing sessions organized by the hotel's host dance leaders.

Hotel accommodation includes Bed and Breakfast, Half Board, Full Board and All Inclusive.

So why not join us for a tailor-made hassle-free bowling holiday you will never forget.

Testimonials:

We are a group of four people and bowling is the main attraction for staying at the Louis Phaethon Hotel. Individuals, as well as small and large groups can easily be accommodated in matches or roll-ups with the expats bowls team lead by their Captain, Roger Shire, who gives everyone a very warm welcome. Games are played in a competitive, friendly and social manner. We have been three times for long-term holidays at the Louis Phaethon and we are eagerly looking forward to our next visit when we anticipate outstanding bowling occasions with a truly great group of people. Many, many thanks.

Barry Simpson, Staffordshire Moorlands, England.

For the past 10 years we, a group of bowlers from the Dunbartonshire, Scotland, area, have been coming to the Louis Phaethon Hotel for a special and much-looked-forward-to-holiday.

We thoroughly enjoy our stay where we are made more than welcome by the hotel's own bowling club who we play against in matches, as well as games within our own party. The hotel itself is excellent value with good food and good service and overall everything is well organized. We look forward to our next visit and renewing friendships with the Louis Phaethon Bowling Club.

James Irwin, Dunbartonshire, Scotland.

Groups and clubs who have used the Louis Phaethon Hotel for their bowling holidays include: The Ken Rapson Group, Bristol; The Watchet and Porlock Bowls Club, Somerset; The Troon Portland Bowling Club, Ayrshire; the Peter Banff, Scotland Group; The Peter Richards Group, Newington, Kent
