

LOUIS PHAETHON BEACH WATER PARK

This small scale waterpark will operate solely for the clients of Louis Phaethon Beach. It is constructed on a total area of about 5.000 square meters and comprises of the following:-

- (1) A main pool of about 550m².
 - One part of it, roughly 15m X 15m with a water depth of 1,15m, will be the receiving pool for the Water Slides.
 - A second part, roughly 30m X 10m with a water depth of 1,50m, will be the swimming and amusement pool. It includes a Jacuzzi corner with 10 seats and three water features. (One umbrella type in the middle and two water jets at the perimeter).
- (2) A second children's pool, 17m x 15m (255m²) with a water depth of 35 centimeters. One side will be sloping for easy entrance – exit. This splash pool will accommodate eight (8) water games. The central attraction feature includes three small water slides.
- (3) A Tower of about eight meters height with the starting platform for the slides on top.
- (4) Three types of water slides ranging from 35 to 85 meters long. The shortest slide has four lanes, suitable for racing.
- (5) About 2000m² paved sunbathing area plus additional on the lawn.
